left; just past the turn off for Prichard Tavern turn right to go to Murray; go approximately 3 miles and turn left at the pond. Signs say Settlers Cedar Grove. If you get to Murray you went too far; come back 3 miles.

This ride is a great camp out and barbecue also. Starting point will be at Eagle, Idaho, which is up the CDA River between Prichard and Murray. Would like to hit the road at 10:00 AM and should be back around 3 or 4:00 PM. It is approximately 80 miles round trip, gas is available in Trout Creek or bring your own. We can stop at the Wayside Bar and Casino for lunch or we can find some shade trees to eat under if we bring our own food. It is a easy ride all dirt except for about 7 miles of pavement, so we can come back a different way.

Now for something a little different, we start and finish at a little private community called Eagle City Park in which there are about 100 camping spots, which I own one. After the ride, I would like to see us have either a potluck or a barbecue. I have arranged for us to use the Eagles Nest, which will hold 40 or 50 people it has tables, fire pits, BBQ, covered area. Also if anyone wants to camp overnight there is plenty of room for campers, trailers and tents. Everybody needs to be self-contained. We also have ice available for cocktail hour or whatever.  Ride Leader Jim Monroe will be our host.
