PRA - Aug 15th -9:00AM Porcupine Ride & Clearing

If we can put in an hour or two of trail clearing, that will leave lots of time for fun riding. Please bring yourself... and if you have these items, that's great too: hand sheers, chainsaw, loppers,

gloves, water, food. We have to cross a shallow stream but other than this the ride should be easy as we're hoping the Forest Service has improved the trail. If not, we'll just make it a day of riding elsewhere.

From 95 in Ponderay, go towards Hope on Hwy 200; cross the bridge at Pack River and continue on Hwy. 200 up and over the small pass. Just before small bridge, turn left onto Trestle Creek Road. Go a distance of about 4 miles up this road and you'll see a snowmobile parking area on the left. This is our starting point. We'll visit Char Falls and Lunch Peak on the way home if there's time. Porcupine Lake is beautiful so bring your camera. Ride Leader- Thomas Leo PRA
